APPLICATION PROCESS OVERVIEW

The licensure process in the State of Rhode Island is conducted by the Rhode Island Board of Examiners in Dentistry (Board). All licensure applicants must complete and submit a Board application.

Application Process

You must submit your application and supporting credentials directly to the Board. The Board will use this information to assess your qualifications for licensure. Please allow a minimum of 4 weeks for the entire licensure process to be completed. If you have malpractice or disciplinary history, it can take an additional 2 or 3 months for all pertinent documentation to be received.

The Board meets once a month (Except for the month of April). Only applications which are complete, with all supporting credentials, will be forwarded to the Board for review and issuance of a license. Licenses will be issued within 7-10 working days following the Board meeting and are mailed to the address furnished in your application. You are responsible for notifying the Board office, in writing, if your address changes in the interim. The Board may be emailed an address change. The email address is located at the following web site.

<http://www.health.ri.gov/hsr/professions/dental.php>

To obtain your license number prior to receiving your license card, please refer to the HEALTH Licensee Lookup web site (Approximately ten (10) days after Board Meeting):

HEALTH will not, for any reason, accelerate the processing of one applicant at the expense of others. Once completed, the application will be reviewed, and you will be contacted in writing.

Please continue to review the remaining portions of this application packet for instructions and other materials necessary to complete the Board application. If you have any questions about this application process, or would like to check on the status of your Board application, please contact this office at (401) 222-2828.
